TITLE
TO: Contractors and Subcontractors

FROM: Anthony Lopsonzski, Jr., President of Council
Northampton Borough

RE: Workers’ Compensation Reform Act 44 of 1993

EFFECTIVE SEPTEMBER 1, 1993, the Borough of Northampton will no longer issue a building permit to a contractor, subcontractor or resident (i.e., plumber, electrician, mason, HVAC) who has not demonstrated current coverage and compliance with the requirements of Act 44 by filing with the Zoning Office one of the following:

1. Certificate of Insurance issued by your insurance carrier as proof of Workers’ Compensation insurance for your employees; or

2. Certification of self-insurance from the Department of Labor and Industry; or

3. A notarized affidavit of exemption from Workers’ Compensation insurance stating you will not hire any employees to work on the construction project; or

4. Register via company letterhead or bill head, including address and phone number (Post Office Box IS NOT Acceptable) your Federal or State Identification Number.

Borough resident and/or homeowner please note: If resident and/or homeowner will be performing the work, they must file a notarized affidavit of exemption from Workers’ Compensation insurance stating that they will not hire/employ any individual, or subcontract any work on the construction project.

Should resident and/or homeowner later choose or be forced to subcontract work to comply with the building code, it is the responsibility of the resident to see that the subcontractor comply with the regulations as outlined above.

Under Section 302 of Act 44, every building permit issued by the Borough to a contractor, subcontractor or resident shall clearly set forth one of the following:

1. Name and Workers’ Compensation policy number and the contractor’s and/or subcontractor’s Federal or State Employer Identification Number.
2. Contractor’s Federal or State Employer Identification number and the substance of the affirmation that the applicant is not permitted to employ any individual to perform work pursuant to the building permit.

3. Resident and/or homeowner’s notarized affirmation that he will not employ any individual to perform work pursuant to the building permit.

These certifications shall be filed with the Borough’s copy of the building permit. Upon issuance of a building permit, the Borough will be named as a WC policy certificate holder. The issuer of the policy, your insurance carrier, must inform the municipality within three (3) working days of any change in or termination of coverage.

If the Borough received notice that you have had coverage terminated, lost state-approved self-insurance status, or employed persons without providing coverage, the Borough must and will, under Section 302 (e)(4) issue a stop work order. The stop work order may not be lifted until the contractor and/or subcontractor re-obtains proper coverage.

The Council realizes the impact this Act will have upon contractors, subcontractors and residents and for this reason suggest you:

1. Notify Workers’ Compensation insurance carrier that a certificate of insurance should be forwarded to the Borough of Northampton, Zoning Office, at the address noted above, at the same time you should register via company letterhead or bill head (which includes address and telephone number - Post Office Box is NOT acceptable), with the Zoning Office your Federal or State Employer Identification Number;

2. Provide certification of self-insurance from the Department of Labor and Industry, at the same time you should register via company letterhead or bill head (which includes address and telephone number - Post Office Box is NOT acceptable), with the Zoning Office your Federal or State Employer Identification Number;

3. Notify frequently used subcontractors to follow the same steps, providing the Borough with the information and data required.

These certificates, certifications and affidavits along with Federal and State Identification Numbers will be filed alphabetically in the Zoning Office and need only be updated when there is a change of address, insurance coverage, insurance companies or notification by insurance company expiration or cancellation.

Nothing in the Workers’ Compensation shall be the basis of any liability on the part of the Borough. It is not the Borough’s responsibility to notify you that your insurance has expired or been cancelled, nor shall the Borough incur liability for any damages which may result from the issuance of the stop work order.

It is in your best interest that we have taken the initiative to notify you of the requirements of the Act and to provide you with a means to comply so as not to interrupt, delay or cause financial hardship and yet effectively and efficiently achieve the goals of the Act with regard to employee coverage for work-related illness or injuries.
WORKERS’ COMPENSATION AFFIDAVIT

I, ____________________________, do solemnly

(PLEASE PRINT AND SIGN NAME)
swear that I will not employ/hire any other persons for the project(s) for which I am seeking a building permit.

After receipt of the building permit, if I employ any other persons, I must notify the Borough Office and provide proof of Workers’ Compensation coverage within three (3) working days.

I understand that failure to comply will result in a stop-work order and that such order may not be lifted until proper coverage is obtained, as provided by Section 302(e)(4) of the Act of June 2, 1915 (P.L. 736), known as The Pennsylvania Workmens’ Compensation Act, reenacted and amended June 21, 1939 and amended December 5, 1974, and amended July 2, 1993. (P.L. ).

Subscribed and sworn to before this ___________ day of ________________________, 20__.
